**Del Aqua Hair & Beauty, 17 Hickson Rd, Walsh Bay. Ph: 9247 9677**

The luxurious experience at Del Aqua was far beyond anything I'd expected. The appointment began with a glass of champagne and a scalp massage, and the friendly atmosphere put me right at ease. I appreciated the stylist explaining each step she took with my hair makeover, resulting in the exact look I was after; and also that she knew what would suit my skin tone and face shape best. During three hours I was treated to a cut, colour and manicure, while watching the sun set slowly on the bay. The modern architecture of the calming waterside location and the relaxing five-star service from the personable staff made my visit all the more worthwhile. [delaqua.com.au](http://delaqua.com.au).
